Your direction.

An optional column-mounted direction lever lets you change direction without coming to a complete stop before shifting. Great for loader work.

Your speed.

An optional dealer-installed creeper gear gives you up to eight working speeds under 1 mph. You're really in control.

Your pull.

The optional front-wheel assist can be the difference between getting through and getting stuck.

Stop in and see all the new Ford compact diesels. They're built to fit landscapers.

FORD 655A BACKHOE-LOADER

Powerful digging rig.

Powerful hydraulic forces and a unique Ford bucket design let you dig deep and fast in hard soils. Usually you can fill the Ford bucket in one pass, where others may take two or more passes with their "ice cream scoop" digging action. You could save time and money trenching with a Ford 655A backhoe-loader!

Other powerful reasons to specify Ford:

- 75 SAE net hp 4-cylinder Ford diesel engine. Low rpm and big-bore, short-stroke design help reduce engine wear.
- 1-cu yd Ford loader with powerful breakout force. Return-to-dig and self-leveling features.
- Sturdy load-bearing axles. Optional front-wheel drive.
- Standard 15-ft Ford backhoe. Optional hydraulically extendible dipperstick for increased digging depth and dump reach.
- Optional fully enclosed safety cab.

We invite you to come in and try out the Ford 655A and prove to yourself what we claim. Competitive financing available.
