PROMISING SIGNS OF PROSPERITY.

For better standability and higher yields.

Not every seed corn can stand the test of our tough growing season. But Agway 310X and 588X can because they're bred specifically for the soil, climate and growing conditions in this region.

So when you see these Agway signs, you know you're looking at the promise of excellent standability and outstanding yield potential.

For a prosperous 1989 season, ask your Agway Farm Enterprise Salesperson for the facts on these proven hybrids.

Working for people who work the land...
