

Farmers' reactions to Penn Jersey's quality service can be summed up in one line.

**25 years Harvestore® Products experience.
Competent, professional service technicians.
Fleet of fully-equipped service trucks.
5 well-stocked service centers.
Cash discount for prompt payment of service invoices.**

The results you may achieve with your Harvestore® System depend primarily upon your management skills and may vary from successful results achieved by others. Any application to a particular farming operation requires the advice of qualified experts and is subject to limitations of good management, weather and other conditions present at the individual location.
