

Deere Increases Baler Line

John Deere's new baler series features double twine wrap arms, increased twine storage, increased hydraulic bale tensoning, and an optional net wrap system.

Hog Slat Fan Provides Energy Efficiency

NEWTON GROVE, NC — Hog Slat's new 24-inch CircuFan model provides greater energy efficiency, for reduced overhead, and fits into tighter spaces. It also has the added value of coming fully assembled for easy installation.

According to Gary Duncan, company spokesman, the compact fan is ideal for breeding, gestation and finishing houses.

Each unit is constructed of hot-dipped, galvanized, corrosion-resistant housing with a totally enclosed, 1/2-horsepower, epoxy-

coated, ball-bearing motor. Shafts and tie bolts are made of stainless steel. Pre-assembled mounting brackets and pre-wired, heavy-duty cord assembly are included.

Hog Slat, Inc., a leading manufacturer of hog production equipment, specializes in complete turn-key facilities. For additional information on the new Hog Slat fan, or other products, write or call: Gary Duncan, Hog Slat, Inc., P.O. Box 308, Newton Grove, NC, 28366; 919/594-0219; US 800/334-6465, NC 800/682-1103.
