

IT NEVER FAILS!

**YOU GET OUT THE BALER
OR JUST THINK ABOUT BALING HAY
AND IT RAINS...
AND RAINS...
AND RAINS...**

**Penn Jersey can help you beat the weather
and make the most of your alfalfa crop
with a pre-owned Harvestore® System!**

The results you may achieve with your Harvestore® System depend primarily upon your management skills and may vary from successful results achieved by others. Any application to a particular farming operation requires the advice of qualified experts and is subject to limitations of good management, weather and other conditions present at the individual location.
