

# LAND PRIDE

## REAR BLADES

The four series of Land Pride Rear Blades provide you with a choice of 10 different models. Whether it's a hobby blade for a 20 horsepower tractor or a heavy-duty model with angle, tilt and offset, you'll find a Land Pride blade to match your tractor — and your job.

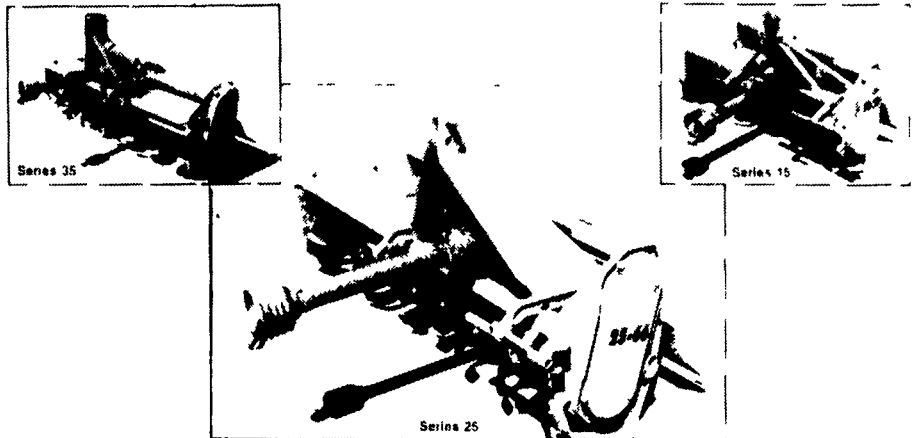

Quality designs and rugged construction are evident throughout the rear blade line. Each blade has a heavy-duty rolled moldboard to keep material flowing smoothly. And all Land Pride blades have *replaceable, high-carbon, heat-treated cutting edges*. They are reversible on the 15, 25, and 35 series for an even longer life.

Land Pride Rear Blades are available with a full range of options, including skid shoes, side plates, gauge wheels and — on the 35 series — a hydraulic cylinder to adjust offset on-the-go.

### Rear Blade Features:

- Heavy-duty rolled moldboards
- Replaceable, high-carbon, heat-treated cutting edges; 3/8"x3" on 05 series, 1/2"x6" on 15, 25, and 35 series
- Horsepower ratings from 20 to 65
- Angle adjustments on all models; tilt and offset on 35 series
- Full range of options

## ROTARY TILLERS

The Land Pride Rotary Tiller line offers three series of intelligently-engineered and quality-constructed tillers. Whether you're a hobby farmer, landscaper, nurseryman, fruit and vegetable grower or home gardener, the Land Pride line is designed for you. It hooks up easily, operates smoothly, and offers superior performance with less maintenance than competitive units. Special features such as side shift, forged adjustable hitch blocks, slotted and serrated depth adjustment, ductile iron gear boxes with tapered roller bearings make the Land Pride tiller the best value in the industry.

### Rotary Tiller Features:

- Side shift: 15 and 25 series
- Ductile iron gear boxes; with worm gear and tapered roller bearings
- Splined shafts
- Adjustable hitch blocks; forged blocks standard on series 25 and 35, optional on 15 series
- Adjustable slotted skids
- Spring-loaded rear deflector
- Heavy-duty shielded PTO with shear pin coupler; slip clutch standard on series 35, optional on 15 and 25
- Square-tubing box frame
- Profile-stamped A-frame standard on 25 and 35 series, optional on 15 series

## 3-SPINDLE GROOMING MOWERS

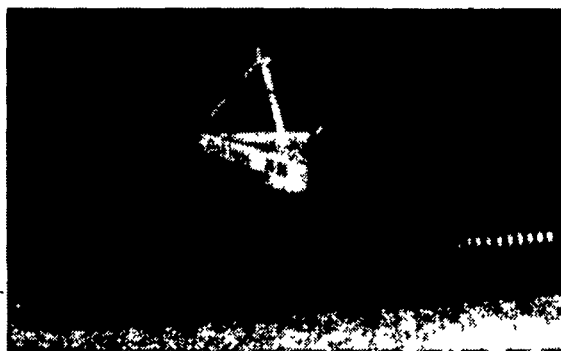

All the features you could ever hope for in a 3-spindle grooming mower are combined in the Land Pride Grooming Mower — at a price comparable to economy units. The profile-stamped air tunnel one-piece deck provides superior grass-cutting due to its ability to lift the grass better and discharge it cleaner — and with less horsepower. The four rugged 10" wheels are standard equipment and provide unmatched contour-following capability.

The Land Pride mower is designed to be easier to attach, adjust, operate, and maintain than competitive units. Standard features like a cast-iron gear box, forged hitch blocks and a commercial-duty V-belt mean you'll spend more time grooming your grass and less time fixing your mower.

### Grooming Mower Features:

- Profile stamped air tunnel deck
- Four gauge wheels with 3/4"x10" solid rubber tires
- 5" height adjustment
- Cast-iron gear box
- 1 1/2" blade spindle
- Folding, adjustable discharge chute
- Single commercial-duty V-Belt
- Heavy-duty floating forged hitch blocks; adjustable
- Adjustable floating 3-point top link

## LANDSCAPE RAKES

A rugged landscape rake from Land Pride is a versatile addition to any landscaping arsenal. With 11 models in four different series, there is a Land Pride rake to meet your needs.

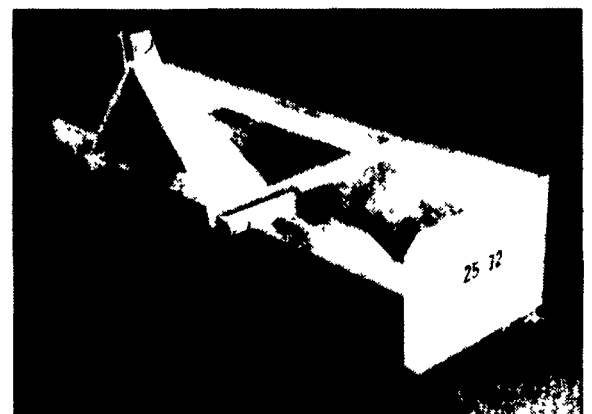

Rake uses include: clean-up of roots, rocks and other debris prior to seeding, spreading and distributing topsoil and crushed rock, general grooming and soil preparation.

Land Pride rakes feature high-carbon, spring-steel teeth and heavy-duty A-frames for a long life. To fine tune performance, options like gauge wheels and flip-down grader blades are available.

### Landscape Rake Features:

- High-carbon, spring-steel teeth — 1/2"x3/4" on 05 series, 5/16"x1" on 15, 25, and 35.
- Wide range of angle adjustments, including reversible feature on 25 and 35 series.
- Superior clamping design provides added strength by eliminating hole in tooth.
- Full range of options, including flip-down grader blade and gauge wheels.

## FIXED BAR BOX SCRAPERS

Land Pride Box Scrapers are built rugged for a long dirt-moving life. The heat-treated spring-steel shanks scarify the ground and the 17" high radius-formed moldboard keeps dirt flowing smoothly into the box. With the 4" square tubing main frame and 1/2"x6" heat-treated, reversible cutting edge, these box scrapers are designed with the features you need.

The 25 series features double lug hitches and a plated A-frame. Both models have a welded brace from the A-frame to the rear of the bucket and a choice of rigid or hinged backfill blades.

### Box Scraper Features:

- Radius-formed (rolled) moldboard - 17" high
- 4"x4" square tubing main frame
- Double-strap lower hitches - 25 series
- 1/2"x2 1/2" heat-treated spring steel shanks
- Heat-treated dimpled-on tips
- 1/2"x6" high-carbon, heat-treated, curved cutting edge reversible
- 1/2" thick formed plate A-frame - 25 series
- 31 1/2" overall depth
- Pin securely holds shank - easy to remove for shank adjustment
