## The new Ford compact diesels are built to fit landscapers.

### Your moves.

Hydrostatic or manual transmission options let you change direction or travel speed by just depressing the toe-heel pedal. Perfect for grading and raking.

### Your direction.

An optional column-mounted direction lever lets you change direction without coming to a complete stop before shifting. Great for loader work.

### Your speed.

An optional dealer-installed creeper gear gives you up to eight working speeds under 1 mph. You're really in control.

### Your pull.

The optional front-wheel assist can be the difference between getting through and getting stuck.

Stop in and see all the new Ford compact diesels. They're built to fit landscapers.
