MOVE MOUNTAINS WITHOUT MOVING A FOOT.

Case Uni-Loader* skid steers not only out dig, out lift, out carry and out load most others they also take a big load off your feet. That's because speed, direction and all loader functions are controlled by two hand levers. You can maneuver easier and work faster. There are other advantages, too. Self-leveling loaders, simple external chain-tension adjustment, separate hydraulic and chain/sprocket oil systems reduce maintenance and downtime. Let your hands do the working with a Case Uni-Loader skid steer the easy

way to get a handle on tough chores
