

Through good seasons and bad, the cost of farming doesn't change. Your equipment needs don't either.

So when you need a new tractor in the 53 PTO HP range, you need a new Zetor Series 6200 tractor. Even with 4-wheel drive, these Zetor tractors are half the price of most of their competitors, making them affordable no matter what kind of season you're having.

And you get a lot more than you pay for.

Zetor's cast iron chassis puts heavy muscle into your work. And its fuel-sipping performance, easy maintenance, flat operator's deck, ergonomically-designed and unobstructed view help you get more hours in the field.

Every day. For years and years.

Zetor backs up the facts with a reputation for enduring quality that's grown for 40 years on farms in over 90 countries around the world. Plant a Zetor on your own farm. Through the seasons, you'll find its durability is even more impressive than its low price.
