318 Lawn & Garden Tractor
w/Tilt Dump and Weights

Nothing Runs Like a Deere®

Whether you've got tall, lush lawns or dry grass to mow, John Deere's tilt dump hops to it on most 300 and 400 Series tractors and collects the clippings for you. Its variable speed fan adjusts to grass density and moisture, so you can speed up or slow down depending on the conditions.

And to make things even easier, its large 13-bushel hopper empties clippings right from the driver's seat. All you have to do is release the door and the unit tilts, emptying the contents.

Whatever your mowing conditions, the John Deere tilt dump can handle it. Get one today.
