A BROKEN HYDRAULIC HOSE CAN COST YOU HUNDREDS OF DOLLARS...

... in lost or damaged crops. When there's work to be done in the fields it's important to keep your farm machinery on the job. When there's a breakdown you can't afford to wait for a new hose assembly to be shipped from the factory.

But it doesn't have to...

WE MAKE HOSE ASSEMBLIES WHILE YOU WAIT

... assemblies which are exactly like the original and better! To put your equipment back to work in the fields fast. You don't lose valuable time, don't lose crops.
