

# Question Corner

(Continued from Page B48)

**ANSWER** — Renée Hankins requested a recipe for kugel, glorified rice and pearl tapioca. Thanks to Esther Mae Martin, Womelsdorf; Josephine Matenus, Dallas; and others for answering.

## Glorified Rice

- 1 package strawberry flavored gelatin
- 1 1/2 cups boiling water
- 1 1/2 cups sugar
- 2 cups boiled rice
- 1 cup crushed pineapple
- 1/2 cup whipped cream

Dissolve gelatin in boiling water. Add sugar. Chill until liquid thickens. Beat until frothy and slightly firm. Add the rice, pineapple and whipped cream. Chill. Serve topped with whipped cream.

## Glorified Rice

- 2 cups cooked rice
  - 1 cup pineapple, chunks
  - 1 cup whipping cream
  - 1/2 cup sugar
  - 24 marshmallows, quartered
  - 1 cup apples, chopped
- Combine cooked rice, pineapple chunks, marshmallows, sugar and apples. Let stand one hour. Whip cream and fold into mixture. May be garnished with red raspberries or strawberries. Fresh peaches or oranges may be used instead of pineapple. Serves 6.

## Potato Kugel

- 6 potatoes, grated
  - 1 onion, grated
  - 2 tablespoons flour
  - 2 eggs
  - 1 teaspoon salt
  - 1/4 teaspoon pepper
  - 3 tablespoons oil
- Drain grated potatoes well. Mix in onions, flour, eggs and seasoning. Mix well. Heat oil in pan at 400 degrees. Pour mixture into pans. Sprinkle a little oil and paprika on top. Bake for 1 hour or until lightly browned.

## Ida's Notebook

Ida Risser

This morning I opened an old well-kept family Bible. It has a brass clasp and a name stamped in gold on the embossed front cover.

## Noodle Cheese Kugel

- 1 pound noodles, cooked, rinsed and drained
  - 4 egg yolks
  - 1 pound Farmers' cheese
  - 7 ounces sour cream
  - 1 cup sugar
  - Juice from 1/4 lemon
  - 1/2 cup oil
  - 1 teaspoon vanilla
  - 4 egg whites
  - 2 tablespoons sugar
- Combine first eight ingredients and mix well. Beat egg whites with 2 tablespoons sugar, until stiff. Fold into noodle mixture. Butter large baking pan. Sprinkle with bread crumbs. Pour in mixture and bake at 350 degrees for 30 minutes or until top feels dry.

## Fancy Apple Kugel

- 12-15 Cortland apples, sliced
  - 6 eggs, separated
  - 1/2 cup oil
  - 1 teaspoon vanilla
  - 1 tablespoon baking powder
  - 2 cups sugar
  - 2 cups flour
- Bread crumbs combined with 1 teaspoon vanilla. Grease 16x10-inch pan. Spread thin layer of crumb mixture on bottom. Spread sliced apples on crumbs. Beat egg whites until stiff. Add sugar, yolks in oil. Sift in remaining dry ingredients and stir. Pour over sliced apples. Bake for 1 to 1 1/2 hours at 350 degrees. Serve warm or cold.

I almost wish that I had not opened it.

Inside are many newspaper clippings of obituaries of relatives. Many of them are almost 100 years old. I do not think of our family as having especially bad luck and yet over such a long period of time there were several tragedies.

My grandfather was killed by a train while he and his team were crossing a railroad track in Lancaster. My mother was fatherless at five years of age. A great uncle was killed in a cave-in as he helped to build a bridge near Ephrata. Another great, great uncle was murdered by a hired man who stole his money.

Now all of this is rather depressing. But there are many, many clippings which tell of elderly relatives who died in their own beds in their own homes. Many are written up as esteemed citizens of their communities.

Included in the collection of items in this old Bible are wide ribbons with poems printed on them. There are notices of funerals printed on heavy cardboard with black edges. There is even a place for photographs in the back of the big old Bible.

What we have to realize is that someday, we too will just have a tiny newspaper clipping to be remembered by. We'll be lucky if someone reads it 50 years later and sheds a tear for us.

Enough of such morbid thoughts. I'm headed for my garden where the weeds grow profusely in this wet season. Soon there will be raspberries to pick and the sun will shine--we hope.
