...it's a key word at RO LA!

In 1987... ROLA attained the honor of ranking among the top 20 herds in the nation!

In 1988... RO LA still had one of the top 20 herds in the nation and was the ONLY dairy herd to repeat!

In 1989... RO LA's dairy herd reached 26,211 lbs production with 826 fat and 816 protein!

"IF WE KEEP THIS up, we'll hit 27,000 lbs within a year," predicts Paul Lewis, herdsman and partner in the family operation. "Things have been going well . . . really well . . . for several months." Holsteins are milked three times a day. ROLA Farms, Rexville, N.Y., are owned and operated by Robert Lewis and sons, Larry, Lyle and Paul.

RO LA...an Agri-King customer since 1980!
