This twin 20 hp is becoming very popular for hay balers and other applications traditionally equipped with 2 cylinder Wisc. engines and can also replace the older 4 cylinder engines on some applications.

Works very well to run corn pickers, crimpers and mower crimper units. We can mount your Wisc. clutch reduction for \$1495 or sell the engine with used Wisc. reduction for \$1995. Price includes picking up your clutch and delivery of completed unit to you. (Lancaster County Only)

We offer in the field emergency service on baler engines.

Call Hoover Diesel at 717/786-7943 and they can contact us or our driver.
