done fast!**

**This loader
does it all.**

New Holland "Super Boom" loaders lift the payload forward as the boom rises. So you get more forward dump reach where you need it most. Extra dump reach means you can load the center of a tandem-axle dump truck.

Super Boom loaders also feature a longer wheelbase for increased stability and fast cycle times for more productivity.

Models range from 18 to 75 horsepower with SAE load ratings up to 2,050 pounds.
