

4-H HAPPENINGS

York County Lamb

The York County 4-H Lamb Club recently held its annual preview show during the York County 4-H Fair at the York fairgrounds. The members competed in showmanship and fitting classes. The following members received first place in their divisions. Back row, from left, Lisa Dechristopher, Adam Sellers, Jodi Dutrey, and Julie Kern; middle row, Steven Dechristopher, Drew Bankert, Jarrod Schiding; front row, Tabby Ebersole and Michael Klinedinst. The champion fitter and showmanship award went to Mike Klinedinst.

Sylvia Miller is honored by members of the Progressive Clovers 4-H Club for her 20 years of service, dedication and many hours of volunteer work to the 4-H program. Everyone in the club is very proud to have Sylvia as their leader.

Eight year club member, Club President and 1989 Carroll County Dairy Princess, Miss Cindy Stamer stated, "I would like to say, how good she (Sylvia) works with the kids (4-H'ers). The dedication and time she takes for all of us (members)."

On Sunday, July 23, 1989 Sylvia Miller was recognized for all her efforts at the Progressive Clovers 4-H Club's annual club picnic held at the Carroll County Agriculture Center in Westminster, Maryland. Where club members, parents and other members of their family enjoyed Hamburgers, Hot Dogs, variety of covered dishes and an Ice Cream Cake (see photo) decorated special for honoring Sylvia.

Progressive Clovers

Sylvia Miller displays a cake that the Progressive Clovers 4-H Club members gave her for her dedication to 4-H.

THINK 1989 BARN PAINTING Latest Developments \$750.00

- PREPARATION** - High volume water blasting at 1,000 lb. pressure re-surfaces barn siding into a smooth (like new) appearance!
 - Performed by professionals quickly at reasonable cost.
 - By yourself with your own or rented equipment.
 - Or other more conventional methods
- APPLICATION** - To insure better adherence to this super prepared surface, use the best fine bristle brush in four directions to evenly distribute the recommended mil thickness of seal coat coverage.
- SPECIALIZATION** - Every barn is different but generally it's best to use a high quality mildew resistant product, specially formulated to meet the requirements of this partially weathered wood that was and will be weather stressed.
- WARNING** - The modified oil latex is less effective as a wood preserver and actually increases nail & metal deterioration. Deal with home people. At their rates, I could double mine.
