

Soybean Meeting Scheduled

GRATZ (Dauphin Co.) — On Wednesday, August 30, from 1:00 p.m. until 4:00 p.m., a field meeting will be held near Gratz, in Dauphin County on soybean production. The site is the location of three soybean demonstrations: Soybean varieties including dwarfs, determinant growth types, and indeterminate growth types, row width establishment, and soybean herbicides. John Yocum will present a discussion on soybean weed control options and new materials. Elwood Hatley will discuss fall management of the 1989 soybean crop and provide varietal

evaluation comments. Pesticide recertification points will be available. For additional information, contact your Extension Office at 717/921-8803.

The field day location is approximately 2 miles north of Gratz. From Route 25 turn north towards Klingerstown. Turn left approximately 1/4 mile outside of Gratz.
