

IT'S LATE BUT NOT TOO LATE!

Act now and you can still have
a Harvestore® System erected
for this year's corn crop.

Lease a 6,360-bu. capacity* Harvestore Grain Structure with unloader
with no monthly payment until January 15, 1991
(Over a full year away!).

Payments thereafter at a low \$357.28 per month.

* Nominal capacity with 5% compaction

The results you may achieve with your Harvestore® System depend primarily upon your management skills and may vary from successful results achieved by others. Any application to a particular farming operation requires the advice of qualified experts and is subject to limitations of good management, weather and other conditions present at the individual location.
