

Income Tax Meeting Planned In January

CREAMERY (Montgomery Co.) — Tax preparers, farmers, homemakers, and other interested individuals can secure an update about federal income tax at the 1990 area income tax meeting to be conducted in Franconia on Wednesday, January 17, 1990. According to Nancy Stevens, County Extension director, information presented at this meeting should be helpful as taxpayers approach the new tax filing season.

The topics covered at the meetings will range from a look at new developments to a review of important tax principles. The program will include a discussion of tax law changes affecting indi-

viduals and businesses, changes in tax forms, and critical issues when filing the 1989 tax return. Handout materials will be provided to support discussion by the instructors.

Jesse G. Cooper and Larry C. Jenkins, Penn State University, with assistance from Internal Revenue Service personnel, will serve as instructors for each of the sessions.

Starting time for the income tax meeting is 8:30 a.m. The session will end at 4:00 p.m. The meeting will be held at Family Heritage Restaurant, Route 113, Franconia. The registration fee is \$40. per person including lunch and reference materials. However, those who register and pay their fee

before December 20 are entitled to an early registration discount of \$10 and will pay only \$30. Additional reference materials, including a Master Federal Tax Manual,

may be purchased for a small extra fee.

A brochure/registration form and more information about the one-day income tax meeting is

available at the Montgomery County Penn State Cooperative Extension office. Questions about the meetings may be directed to the Extension office, 489-4315.
