## MONROE-TUFLINE<sup>®</sup> THE QUALITY LINE

Monroe-Tufline manufactures a full range of land tillage equipment for the small gardening jobs to the large farming operations. Designed with durability in mind, our equipment offers versatility and easy operation. We have a wide variety of lift and wheel harrows, box scrapers, grader blades, V-plows subsoilers, disc plows, and pasture renovators.

Tufline's grader blades have a unique telescoping design for strength and quick adjustment. The GB3 series is available in 6', 7', or 8' models with Cat. 1 or 2 clevis type hitch. This model features a reversible cutting edge, left or right tilt, offset left or right, and forward or reverse angle adjustment. The GB2 series offers similar features. **MODEL GB3-72**

Box scrapers are available in three series in widths up to 8'. Each series has a front and rear scraper blade and scarifier shanks with replaceable hard surfaced points. The TB2 series also has a hinged rear moldboard compared to the stationary rear moldboard on the TB0 and TB1 models. **MODEL TB166**

## Century.

### First Choice for Precision Spraying

Today's modern Century Sprayer combines all the technologies developed over 40 years and countless acres. Since 1947, thousands of Century Sprayers of all sizes and types have been used on farms across the United States.

Profitable spraying means precision spraying.

And that means Century! Because Century's exclusive No-Drip Nozzles allow hoses to be constantly filled with material under pressure, there's never a start-up lag. "On" means instantly and accurately!

"Off" means instantly... completely, with no crop-damaging dribble.

Even coverage is assured because flow capacity is uniform from one tip of the boom to the other. All Century booms are made with 1 1/2" square-tube, heavy-duty construction, Century tanks carry a limited 5-year warranty.

Put Century's experience to work for you. Talk to your nearest Century Sprayer dealer soon.
