

Neil Wertz, Danville, receive award from state Secretary of Agriculture.

From the left, Dina and husband C. Arthur Zug, Mifflintown, receive a Clean Water Farm Award from Arthur Davis, secretary of the state Department of Environmental Resources.

Paul Clungston, Halifax, Dauphin County, holds his Clean Water Farm Award recognizing his efforts to minimize nutrient and non-point pollution in the Susquehanna River watershed. He is flanked on his left by Arthur Davis, state secretary of DER and Boyd Wolff, secretary of the state Department of Agriculture.

Dauphin County, for construction of a storage facility that holds more than 2,500 tons of manure, and for employing stripcropping, filter strips and agricultural terrace techniques to control soil erosion on his 300-acre dairy and poultry farm.

* Daniel C. Schrack, Logantown, Clinton County, for the construction of two manure storage facilities and the installation of more than 10,000 feet of water diversions to reduce soil erosion on his 1,300-acre dairy farm.

* Neil and Leon Wertz, Dan-

ville, Northumberland County, for construction of three waste storage facilities, and installation of 1,200 feet of cropland terraces, 1,280 feet of grass waterways and two water diversions of their 500-acre livestock and game farm.

* Arthur and Dina Zug, Mif-

flintown, Juniata County, for improved timber management on installation of a manure pit and 45 forested acres of their 380-acre waste storage facilities, and for dairy farm.

Farmer is Conservationist

Annually an individual farmer or a farm family is selected as Dauphin County's Outstanding Conservation Farmer by the Dauphin County conservation district. Benjamin Crabb, Elizabethtown (left) receives his award from Conservation District Vice Chairman Jay Book. Crabb has implemented contour farming, minimum tillage, terraces and diversions along with various water control structures on his 117-acre farm. Crabb's farm is managed as a cash grain operation and can be seen along Route 209 in Washington Township, just west of Loyaltown.

Pennsylvania Bull Enters Proving Program

PLAIN CITY, OHIO — 7H3744 Keystone Major-ET-TD, a young sire bred by Keystone Farm in Easton, has been chosen to enter Select Sires' program for Genetic Advancement (PGA) sire sampling system.

Based on his outstanding pedigree, 7H3744 has been selected as one of 160 Holstein bulls from throughout the United States to enter the program in 1989.

The bull is sired by the high components sire, Beautician. The dam, a VG(88) Bell, has an outstanding 3-11 record of 31,660 lbs. 3.8 percent or 1,210 lbs. fat and 3.2 percent or 1,014 lbs. protein. She also had over 27,000 lbs. milk 4.0 percent or 1,000 lbs. fat and 3.2 percent or 870 lbs. protein at 2-6. The VG(86) grandam has a lifetime record of 160,250 lbs. milk, 3.7 percent or 5,865 lbs. fat in six lactations. 7H3744's pedigree is backed by production and type.

Select Sires is a family of 12 farmer-owned and controlled A.I. cooperatives, serving the largest number of co-op members in the United States. 7H980 Walkway Chief Mark, the most extraordinary type and production sire of the decade an example of the superior genetics Select Sires offers. The results assist the federation in achieving its basic objective to supply livestock breeders with the industry's top genetics.
