

YOU ASKED. AND WHITE DELIVERED. WITH 4 COLOR CHOICES.

You asked your White dealer for an American-made all-purpose tractor. You asked White Farm Equipment for a color choice to match those old favorites: Oliver Green, Minneapolis-Moline Gold, Cockshutt Red and of course, White Farm Silver. **And did we ever deliver!**

Dependable and rugged, White's all-new American Series is the only American-built tractor under 90 horsepower.

And like our fuel-efficient 100 Series, the American Series is powered by a reliable Cummins engine. Available in 60 and 80 hp, it's a tractor designed for row crop or utility

operation, with a long list of options to make your American Series even more all-purpose.

At White, we're committed to you. It's in the tractors of our past...it's in the tractors we build today. Built with integrity. Built for performance. Built in America.
