Today's successful growers work harder than ever before — but they also work smarter. Alfalfa farmers across the country recognize that in tough times, they can't afford to gamble with anything less than W-L alfalfa seed to give them the high yields, quality forage and long stand life necessary for a profitable crop. They also know that W-L alfalfas are backed up by over 25 years of research, technical teams of experts and a reliable, service-oriented distribution system.

You can't buy better alfalfa seed than W-L — you can't afford to buy less.
