

NEW LIFE FOR YOUR OLD BARN CLEANER

...with **BERG**
chute and chain
replacements

Getting all the extra working years you deserve from your old barn cleaner is a good way to save money! If your chute is worn, we'll replace it with a Berg, standard side-by-side or split-chute with rugged, box-beam construction or a Berg custom-built chute to fit your specific make of barn cleaner. All chutes are made of long-lasting, 10-gauge, copper-bearing steel. And, if you need a new gutter chain, you can't beat Berg's extra-strong, forged-alloy, hook-link chain with choice of flites to handle any manure.
