

Lucky Shoppers Learn Value Of Food Dollars During Media Blitz

LOU ANN GOOD
Lancaster Farming Staff
Lititz (Lancaster Co.) — Three lucky shoppers had their weekly

food bills paid through the efforts of the Pennsylvania Young Farmers Association on Thursday.
(Turn to Page A38)

Ag Spokesperson Nord Parkinson (left) presented a lucky shopper award to Lisa Blankenmyer and her daughter Sarah from Lancaster to emphasize that only 68 percent of her grocery bill was actually spent for food items.

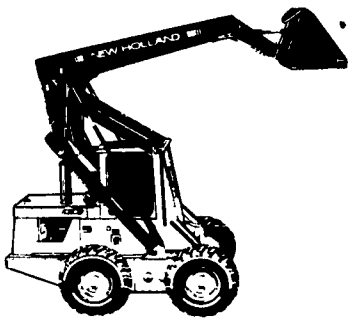

Three lucky shoppers were randomly chosen during the media blitz held at Stauffer's of Kissel Hill in Lititz. From left, Ken Zimmerman, store manager; Mr. and Mrs. Phil Lichty, lucky shoppers; David Livermore, who donated \$200 for Muncy Chief Hybrids, Inc.; and Ed Buss, Farm Credit, who donated \$200 to the Ag Spokesperson winner.

To show how much of the so-called food dollar is actually spent on food, these men participated in the media blitz held on Thursday at Stauffer's of Kissel Hill in Lititz. From left: David Livermore, sales manager for Muncy Chief Hybrids, Inc.; Nord Parkinson, 1990 Ag Spokesperson; Ed Buss, president of Farm Credit state marketing committee; Jerry Krone, Parkersburg farmer; and Henry Zerby, Beavertown farmer.

SKID LOADERS

Reach for the sky!

New Holland "Super Boom" loaders lift the payload forward as the boom rises. So you get more forward dump reach where you need it most. Extra dump reach means you can load the center of a tandem-axle dump truck.

Super Boom loaders also feature a longer wheelbase for increased stability and fast cycle times for more productivity.

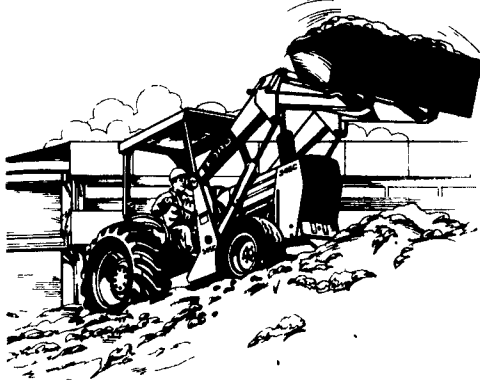

Models range from 18 to 57 horsepower with SAE load ratings up to 2,050 pounds.

Ask us for a demonstration. You'll see how much more a Super Boom loader can do.

COMPACT DIESELS

Compact Diesels from Ford New Holland

The new Ford compact diesels give you more power than you'd expect. They offer a big average cubic-inch displacement (CID) than leading competitors, so the engine doesn't have to work as hard to generate its horsepower. And that means better rated engine speeds, less wear and tear and better fuel economy.

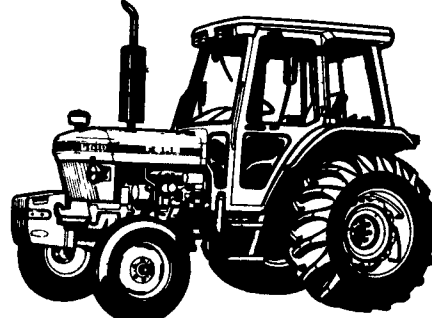

Stop in and see the benefits of compact diesels. There's one just right for you:
