Northeast Chicken Parts

Wednesday, February 7, 1990

NORTHEAST BROILER/FRYER PARTS: PART 1 OF 2: FEDERAL-STATE. Trucklot buying interest was light to fair for immediate delivery. Supplies of skinned boneless breasts were about adequate, with price advances tied more to rising costs for short supplies of whole breasts, than to an aggressive demand for product. Legs were no more than adequate and leg quarters were difficult to locate at nay price in some instances. Wings were short of an active call.
