

WHITE TRACTORS

Make every move count! From the tilt and telescoping power steering to the short turning radius of the Posi Trac full power front axle. The White 100 Series means efficiency all the way.

You'll get more productivity with more usable speeds and smaller power shift steps, thanks to the six speed transmission and three speed power shift. And for horsepower, there's none like it! 94.36, 121.94, 140.30, 165.97 and 192.38 PTO-HP models. The 100 Series features the Cummins Diesel Engine for maximum fuel efficiency and power that gets the job done.

Add to that the solid cast iron main frame for superior structural strength and you've got the hardest tractors on the market today.

So make your move for efficiency. Move to White.
