**COMMERCIAL
TRAIL 'R PUMP®**

Compare the clean look, the midship agitator, the removable band impellor housing, the rectangular transition tube from impellor to agitator nozzle, the full hydraulic control mounted on a convenient 3 pt. hitch bracket and other new design features. Even the color was selected from experience. Check it out with your N-TECH dealer and you will discover why the name N-TECH is the answer to your manure handling.

THE STANDARD® Heavy Duty Liquid Manure Tank

Available in 2300, 2800, 3300 and 3750/4000 gallon capacity sizes. Injectors Optional.

The Standard liquid manure tank is designed for years of reliable pumping and spreading use. Common sense design features include: front mount pump, front gun or rear spreading capability, in-tank agitation and cab actuated brakes. Heavy duty models are constructed with semi-trailer axle and brake systems to insure safe operation.

COMMERCIAL VERTICAL PUMP®

Volume and agitation capability sized to available power. All hydraulic controls. N-TECH proven bearing and seal design. A surprisingly low price.
