

Poultry Markets

New York Eggs March 14, 1990

Prices advanced on mediums, unchanged on the balance. Trade sentiment was generally steady but cautious. Carton egg demand was about moderate with limited interest for retail promotional activity. Supplies were mostly adequate with additional product irregularly available and confidently held.

Delmarva Broiler Fryers March 14, 1990

Movement of ready to cook whole fryers was only fair today. Some buyers have rescheduled or canceled regular commitments in an attempt to control floor stocks. Supplies were fully adequate. Less than trucklot asking prices were steady at 59-67 cents. Live supplies were adequate. Average weights were mostly desirable. Processing schedules were moderately heavy. The trade sentiment was barely steady. In the parts complex, supplies of wings were adequate and clearing, cutlets were somewhat irregular and ranged adequate to fully adequate, whole breasts, and the dark meat items were fully adequate for the cautious buyer.

National Egg Market

MARCH 14, 1990
NATIONALThe market tone was fully steady to instances firm with some underlying cautiousness noted. Distributive movement ranged slow to moderate with limited retail promotional activity. Supplies were mostly in balance with needs and additional offerings were irregularly available but usually held with confidence. Breakers attempted to work as close with needs as possible with finished product sales slow and both end users and further processors reluctant to carry heavy inventories.

Eastern PA & NJ Poultry

March 14, 1990
Prices were about unchanged on light-type fowl and too few sales to report on heavy hens. Offerings were limited and short of next week's full capacity; however, buyers were resisting bidding higher

due to resistance from the canner segment. Undertone barely steady.

N.E. Chicken Parts

March 14, 1990
Trucklot buying interest was limited for yellow parts. Wings were adequate and in closest balance of all items. Supplies of boned skinless breasts were irregular; however, any extra product was difficult to place. Whole breasts ranged adequate to ample with some standing commitments noted as canceled; other buyers were cautious and some bid for additional supplies in the low 90's despite sellers attempts to clear stocks at unchanged levels. Leg items were fully adequate to ample with spot trading noted as low as 27 cents on leg quarters.

NY & Phila. Frozen Eggs

March 9, 1990

Prices were unchanged to higher. Trading activity was spotty and usually restricted to immediate needs. Higher costs and limited offerings of raw materials had several further processors reassessing their position. Floor stocks were usually in balance with needs.
