Delmarva Broiler Fryer

March 29, 1990

Movement of ready-to-cook whole fryers was generally fair and about as expected. Supplies of 3 pound and over sizes were fully adequate and being pushed, lighter weights were in close balance Less than trucklot asking prices were steady at 56-65 cents Live supplies were adequate Average live weights were irregular but mostly on the heavy side of desirable Today's processing schedules were also heavy The trade sentiment was unsettled In the parts complex, supplies of breast items were about adequate for current needs, legs and leg quarters were at least adequate, and wings ranged fully adequate to ample

National Egg Market

March 29, 1990

The market tone was unsettled and cautious. Demand was mixed with current demand overall on the light side. However, several areas reported a growing interest for retail promotional activity. Although supplies were in good balance with most inventories on the increase most distributors were confident that supplies would clear for the holidays Breakers were generally unaggressive concentrating on clearing existing floor stocks.

New York & Phila.

Frozen Eggs

March 27, 1990

Prices were trending lower under an unsettled and cautious trade sentiment. Inquiry was about moderate but most buyers only bought what was absolutely necessary. Raw material supplies continued to increase and further processors easily maintained desired schedules.
