MARCH 28th Thru APRIL 21st

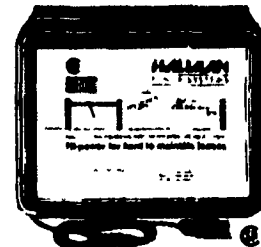

Model 2730
 12 volt DC input Solid state Low impedance Direct current pulse

Reg. \$148.95 SALE **\$134.95**

Use to retain both long and short haired animals; for predator control, for remote strip grazing programs.

- **PERFORMANCE** — 46000 watts max power 25 joules (500 ft) 11 joules (500 ft Lo)
- 9 100 volts on fence electrifies 30 miles
- 24 month guarantee available
- Ask your dealer for details
- **SERVICE** modular circuit board
- Minimal voltage drop over length of fence
- Operates on 12 volt deep cycle wet storage battery
- Hi/Li switch extends battery life 3 weeks typical operation on Hi. 7 weeks typical operation on Lo when using a 70 A H battery in good condition
- CSA Approved for fire and electrical hazard free operation
- Colour coded battery leads polarity protection
- Solar panel options available

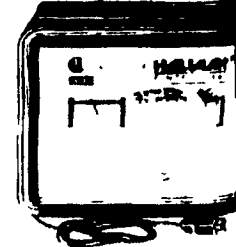

Model 6005
 120 volt AC input Solid state Low impedance Direct current pulse

Reg. \$155.95 SALE **\$139.95**

For all applications, including pasture management/rotational grazing, predator control and all types of livestock retention.

- **PERFORMANCE** — 66,900 maximum watts power 55 joules (100 ft)
- 11,500 volts on fence electrifies 50 miles
- 24 month guarantee available Ask your dealer for details
- **SERVICE** — modular circuit board
- Minimal voltage drop over length of fence
- Steel fire proof housing
- Operation indicator light
- CSA Approved for fire and electrical hazard free operation

Model 2910
 120 volt AC input Solid state Low impedance Direct current pulse

Reg. \$126.95 SALE **\$114.95**

For all applications, including pasture management, predator control, all types of livestock retention

- **PERFORMANCE** — 31 000 watts max power 42 joules (100 ft) 27 joules (500 ft)
- 5,700 volts on fence electrifies 30 miles
- 24 month guarantee available
- Ask your dealer for details
- **SERVICE** modular circuit board
- Minimal voltage drop over length of fence
- Solid state for long life (no moving parts)
- CSA Approved for fire and electrical hazard free operation
- Design features recessed bottom control panel plus operating indicator light
