## Because stress & disease can shatter your hogs' productivity.

It makes sense to make sure your hogs get back on track with the proven performers in Purina STRESS GARD Products. The concentrated punch of Purina STRESS GARD Products comes from antibiotics,

chemotherapeutics, vitamins, minerals, lysine and methionine.

With five specially-formulated products, you can choose the STRESS GARD Product that best meets your hogs' needs.

### Field & Research Trial Results

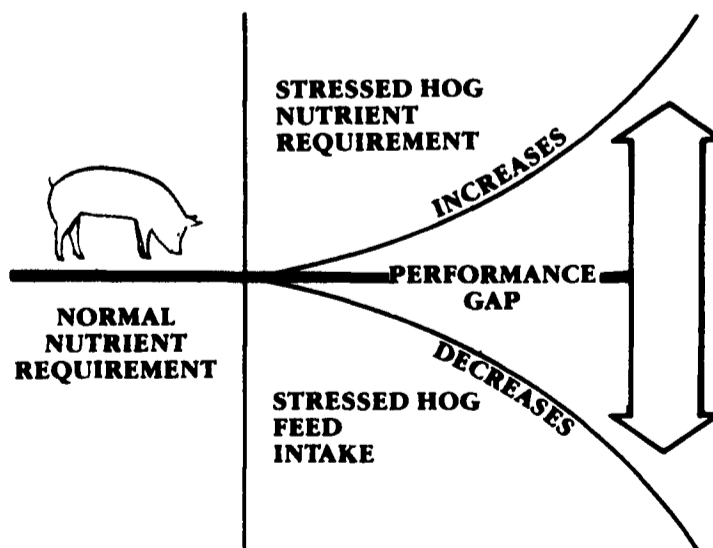

STRESS GARD								
	Start		Finish		Days	Drug	ADG	F.E.
	No.	Wt.	No.	Wt.				
Trial 1	88	35.6	88	62.5	21	ASP	1.28	2.32
Trial 2	202	51.5	202	73.4	21	ASP	.99	2.62
Trial 3	60	31.1	60	54.6	21	INA	1.12	2.06
Trial 4	64	48.3	64	78.8	21	CSP	1.45	2.05
Trial 5	100	42.7	100	65.4	20	CSP	1.14	2.11

Generic Drugs								
	No.	Wt.	No.	Wt.	Days	Drug	ADG	F.E.
Trial 2	135	48.0	135	66.5	21	ASP	.84	2.56
Trial 3	60	30.0	60	51.7	21	INA	1.03	2.16
Trial 4	64	40.0	64	66.6	21	CSP	1.26	2.10
Trial 5	100	40.3	100	61.6	20	CSP	1.07	2.35

In summary, these trials proved the effectiveness of STRESS GARD in increasing ADG 12.6% and improving feed efficiency by 4%. (961 hogs were included in these trials).

### FILL THE "PERFORMANCE GAP"

STRESS GARD<sup>TM</sup> fortifies the feed to better meet the pig's nutrient requirement during periods of stress.
