NY & Phila. Frozen Eggs

April 24, 1990
Trade sentiment was cautious as dealers closely watched related markets for direction. Whole eggs were generally steady, whites were fully steady to instances firm, while yolks were weak. Buyers were selective. Breakers usually worked full schedules packing against new and previous commitments. Floor stocks were in good balance for current needs.

A EXTRA LARGE .90-1.00, A LARGE .87-.95, A MEDIUM .79-.88.

Northeast Chicken Parts

Wednesday, April 18, 1990
Trucklot buying interest was light and unaggressive except for wings, which were short of some traders needs. Supplies of skinned boneless breasts were generally well balanced at unchanged prices. Whole breasts were fully adequate to ample and excess supplies were traded at lower price levels. Legs were fully adequate. Leg quarters were fully adequate to ample despite fairly heavy retail ad activity and inquiry

Delmarva Broiler-Fryer Report

Wednesday, April 18, 1990

Movement of ready-to-cook whole fryers was light. Supplies of 2 1/2 pound sizes were short of immediate needs, but heavier sizes were fully adequate and being offered at competitive prices. Less than trucklot asking prices were steady at 55-64 cents. Live supplies were adequate. Average live weights ranged desirable to heavy. Today's processing schedules were moderately heavy. The trade sentiment was unsettled but barely steady at best. In the parts complex, supplies of cutlets and wings were in close balance to instances short of needs, legs were adequate, and whole breasts and leg quarters were fully adequate to ample and slow to clear even with lower asking prices.
