

Nutrition Kits

WESTMORELAND, N.Y. — The New York Beef Industry Council participated in the recent nationwide distribution of free nutrition kits to preschools with educational programs. Over twelve hundred kits have been distributed in New York State and over 30,000 kits have been distributed nationwide.

The kit, developed by the Education Department of the National Live Stock and Meat Board on behalf of the Beef Board, contains five colorful 14" x 22" posters showing fantasy creatures called *The Munchsters* involved in various food activities. *The Munchsters* introduce young children to good eating habits and encourage them to try new foods. The reverse side of each poster has a complete lesson plan, language activities involving food, recipes and cooking activities. The comprehensive teacher's guide includes a checklist for successful preschool cooking activities and suggestions for involving parents in food related activities.

Local preschools that have not already received a copy of the kit, can obtain *The Munchsters* Talk About Food free of charge by contacting The New York Beef Industry Council at 1-800-292-6922 or by writing to P.O. Box 250, Westmoreland, NY 13490.

COMPARING HAY TEDDERS?

KRONE NIEMEYER

- Tubular tine arms provide greater torsional strength
- Tines wrap around tubular arms evenly distributing load
- Tines angled for maximum crop distribution

COMPETITORS

- Flat steel tine arms
- Round springs bolted to flat steel
- Straight tines

Sizes available from 10' to 27' in 3 pt. hitch, pull-type, or hydraulic fold.
