

WIFE To Host Legislative Breakfast

OGALIATA, NE — The 1990 Farm Bill will top the agenda when WIFE (Women Involved in Farm Economics) delegates from 22 states gather in Washington, D.C., June 10 to 13.

A panel composed of Senator Robert Kerrey (D-NE), Representative Pat Roberts (R-KS), Jonathan Kislak, Deputy Under-

secretary for Small Community and Rural Development and Eugene Gantz. Executive vice president of the American Association of Crop Insurers will debate Farm Bill issues including crop insurance, rural development, animal rights and the environment.

The budget process and how it affects legislative issues will be discussed by a panel.

The eighth annual Legislative Issues Breakfast on June 12 will be co-hosted by Senator Patrick Leahy (D-VT), chairman, Senate Ag Committee; Representative Kika de la Garza (D-TX), chairman, House Ag Committee and WIFE. Following the breakfast WIFE delegates will visit with legislators from their individual states to discuss issues of concern

to the group.

During the four day Government Affairs Seminar, WIFE members will hear a food safety presentation coordinated by Agriculture Council of America. George Rolofson, government relations manager for Ciba-Geigy, will discuss effective lobbying techniques.
