**At Last! A Reliable, New Stainless Steel AG-CHEM FOAM MARKER** Reg. \$785.00 **SPECIAL \$760.00**

Each Foam Marker Contains:

- Mixing chamber for each boom.
- Drop hoses for each boom.
- Electric harness for in-cab controls (on-off/left-right).
- Hose for boom lengths up to 47'.

The Ag-Chem foam marker offers you efficient operation with a 12 volt compressor that draws only 9 amps. Independent left and right boom markers can be controlled from the cab for on-the-go operation. That lets you operate either boom marker for precise, economical foam placement. And best of all the Ag-Chem Foam Marker produces a dense foam within seconds of agitation, and has a dependable output that can be adjusted for volume.

Use with the new 80-40-1™ high concentrate foam.

## USDA Increases Order Assessments

WASHINGTON, D.C. — The U.S. Department of Agriculture will increase assessments on imported pork and pork products by one-hundredth-of-a-cent per pound, or the equivalent of two-hundredths-of-a-cent per kilogram, effective June 29.

Daniel D. Haley, administrator of USDA's Agricultural Market-

ing Service, said the upward adjustment reflects the 1-percent increase in hog prices paid at major U.S. markets last year. The assessment adjustment is authorized by the Pork Promotion, Research, and Consumer Information Act of 1985, he said. The rate of assessment, one-quarter of one percent of market price, remains unchanged.

## Pay Tribute To Ice Cream Soda

PHILADELPHIA — More than 15,000 people are expected to gather on Independence Mall on June 28 as "Everyday is Sundae" joins Philadelphia's "Festival of Firsts" in its tribute to a man of many firsts, Benjamin

Franklin, by honoring another famous Philadelphia first — the ice cream soda.

Yes, the ice cream soda was invented right here in Philadelphia created much by accident in 1874 during the

50th anniversary celebration of the founding of the Franklin Institute. The Middle Atlantic Milk Marketing Association (MAMMA) kicks-off July as National Ice Cream Month, with its annual free ice cream extrava-

ganza, as the city continues its year-long salute to Benjamin Franklin, celebrating 200 years of his genius.

"Everyday is Sundae" returns the ice cream soda to the era of its heyday — the 1950s. Dust off your white buck dancing shoes and step back 40 years with rock 'n roll classics compliments of WOGL-FM, Oldies 98.

Order your ice cream soda made with delicious Barq's Root Beer, which is distributed in the Delaware Valley by the Philadelphia Coca-Cola Bottling Company, from your favorite Oldies 98 radio personality.

Test your hula-hooping skills against some of the best or twist the day away as you compete for prizes.

For those of you not into this type of locomotion, there will be a 1950 trivia test, or, just relax and be entertained by "Today's Kids," three talented young ladies, clad in poodle skirts, who bring back the 50s with their song and dance routines.

For the more adventuresome, you can pet a live cow from the Delaware Valley College of Agriculture.

Free ice cream treats are to be provided by a number of leading manufacturers and distributors, including: Haagen-Dazs, Jack & Jill, Matt's Ice Cream, Richman's, Friendly's, Cloister Ice Cream, Breyers, Bassetts, Ben & Jerry's, and Turkey Hill.

The event is scheduled from 11:30 a.m. to 2:30 p.m., at Independence Mall, Judge Lewis Quadrangle, on Market Street, between 5th and 6th streets. Rain date is Friday, June 29th.

The Philadelphia Water Department will also be hooking up drinking fountains to fire hydrants along the Quadrangle's perimeter for the public's convenience.

"Everyday is Sundae" is sponsored by the Middle Atlantic Milk Marketing Association, a non-profit organization which advertises and promotes milk and other dairy products.
