CONSTRUCTED FOR YEARS OF MAINTENANCE-FREE SERVICE.

- Look over these outstanding features.
- **Less weight.** Eby aluminum bodies weigh up to 30% less than comparable steel and wood construction.
 - **Less maintenance.** Aluminum construction won't rust or rot - never needs painting.
 - **Long-life durability.** Heavy-duty structural components and hollow-tube frame combine with aluminum floor and sides to stand up to years of hard work.

24 foot Ruff Neck trailer on left is Eby's workhorse. Trailer on the right is an economical, 16 foot Wrangler.

Get outstanding value in EVERY Eby trailer.

Whether it's a top-of-the-line Ruff Neck or an economical Wrangler, you know your livestock trailer is built to last if it's from Eby.

Aluminum construction is one of the main reasons these trailers are so durable and reliable. They'll never rust through or need welding. In fact, without ever being painted, an Eby livestock trailer will stay looking new for years.

Standard features make your Eby trailer a profitable investment. Extra-heavy axles, brakes, wheels and tires. Thick aluminum sheet flooring. Sturdy posts and rails. Even an aerodynamically designed front end is standard.

Whether it's a Wrangler or deluxe Ruff Neck, the trailer you buy will be the trailer you need.
