

WHITE FRONT END LOADERS

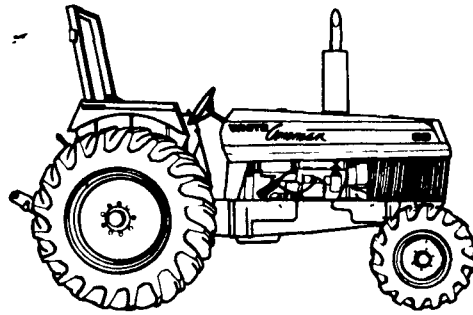

White Loaders Are Convenient, Easy To Use And Even Make Your Chores Fun.

The White 1170 and 1185 front end loaders are sized to perform those tough everyday jobs. Whether its loading, hauling or digging, the 1170 and 1185 loaders are a pleasure to operate. Plus you can store these loaders anywhere at any time with quick attach mounting and an integral storage stand.

For a real workhorse combination, team up a White 60 or 80 with an 1170. Or choose an 1185 loader with your White 100, 120, 140 or 160. Both offer hydraulic self leveling that keeps the bucket level all the way up.

Less worry and hassle. White loaders can make your work a lot easier.

ALL-PURPOSE AND FIT FOR THE FIELD.

The All-New American Series from White Farm Equipment

Dependable and rugged, White's all-new American Series has power for the field. Powered by a Cummins 4-cylinder engine, both 60 and 80 hp models really get you through the field...at an operating cost that leaves more for your bottom line.

And the American Series is available in your choice of four historic colors: Oliver Green, Minneapolis-Moline Gold, Cockshutt Red and White Farm Silver.

We've equipped the American Series with standard features that give you the best of the "utility" and "row crop" worlds.

- Adjustable 3-point hitch

And you can choose from options that give you even more big tractor performance.

- Posi-trac full power front axle
- Electronic 3-speed power shift
- 2nd and 3rd remote detent valves

Put economical field power to work for you. See the American Series today.

COVER MORE ACRES ON LESS FUEL

New Cummins Engine is turbocharged and aftercooled and puts every ounce of its mass to work converting fuel to horsepower.

Fuel economy and high torque are combined in the White 140. So when the going gets tough and rpm drop, the White 140 lugs ahead with a productive 26% torque rise.

Combine the fuel economy with the other new features of the White 140 and you have a 137 PTO HP tractor that can do the job for you.
