GET THE EXTRA EDGE

Put a Vicon *three-bladed* disc mower through wet, tangled crops—even fire ant hills—and then compare the difference.

With almost double the number of cuts per minute over two-bladed competitors, and the extra suction created by Vicon's unique triangular discs, it's easy to see why Vicon CM disc mowers are the choice for fast, clean NO-PLUG performance.

Rugged, low profile cutterbars in 5' 6", 6' 9" and 7' 10" widths, reversible blades and heavy duty discs, deliver reliability and capacity when time is tight.

Vicon's got the edge. The extra edge. See for yourself. Call in at your local Vicon dealer, today.
