Is Your Corn Picker Engine In Shape To Handle This Year's Heavy Crop?

This twin 20 hp is becoming very popular for hay balers and other applications traditionally equipped with 2 cylinder Wisc. engines and can also replace the older 4 cylinder engines on some applications.

Works very well to run corn pickers, crimpers and mower crimper units. We can mount your Wisc. clutch reduction for \$1495 or sell the engine with used Wisc. reduction for \$1995. Price includes picking up your clutch and delivery of completed unit for you. (Lancaster County Only)

We Only Have A Limited Amount Of These Engines Available w/Reduction
Also Available:
20 HP (Same model) With STD Shaft To Run Hay Balers
Availability On This One Is No Problem

Hours
Mon.-Fri. 7-7 Saturday 7-5 Closed Sunday
