TORQUE AMPLIFIERS & CLUTCHES

- ★ New Wider Heavy Duty Super Sprag 1-1/32" Wide
- ★ 5 Yr. Warranty Against Sprag Failure
- ★ Introductory Price \$695.00

We are pleased to announce a major improvement in TA strength & performance backed up by a warranty that is unmatched in the industry. The 5/8" width Dana sprag which we have used over the past 10 years has proven its ability to perform under the most adverse of conditions and has achieved results that have sent our competitors scrambling to keep up. By increasing the width of the sprag to 1-1/32" and caging it in a heavier frame, we now have an unmatched shock load capacity and dramatically raised our load carrying ability. Our studies have shown that 90% of TA problems are directly related to sprag failure. We feel that we now have the strongest sprag & best rebuilt TA available and it will be warranted as follows:

- *5 yr. - 100% parts & labor against sprag
- *2 yr. - 100% parts & labor on remainder of unit
- Our standard heavy duty TA is still available at \$645.00 and carries a 2 yr. - 100% parts & labor warranty.
- *Certain restrictions apply and there will be a maximum labor pay-out of \$450.00.
- We also have units & parts available to rebuild old style TA's, including ramp & carrier sets.
- NEW price on ramps & carries - \$200.00
