What's the difference between these two nutrient-rich calf formulas?

Milk Replacer \$23.80 per calf.

Whole Milk \$49 per calf.

**About \$25 per calf.\***

Improved Agway Blue Label and Maxi Care™ milk replacers can cut your calf feeding costs by more than 50%.

At these prices, feeding your calves whole milk doesn't make a whole lot of sense. The average calf consumes about 350 lbs of whole milk at a cost of about \$49 per calf. While a calf raised on milk replacer can be fed for just 68 cents per lb and needs only 35 lbs of milk replacer to equal the nutritional value of 350 lbs. of whole milk. Improved Agway Blue Label is an economical, superior choice for calf raisers. And both Blue Label and Maxi Care contain the patented Land-O-Lakes ingredient, Glymaxene, to help reduce scours.

Save your milk money for yourself. Feed your calves quality Agway milk replacers instead.

For more details, contact your local Agway store or Farm Enterprise salesperson.

\*Comparisons based on average cost of milk replacer of \$34 per 50\* bag and \$14 per cwt of whole milk.

**75¢ OFF** Regular Price

Every 50\* Bag of Agway Blue Label or Agway Maxi Care™ Milk Replacer.

Offer good on any number of 50\* bags of milk replacer purchased at one time with this coupon. Offer cannot be combined with any other discounts or promotions. Offer good at participating Agway stores only. Coupon expires December 31, 1990.
