

COUNT ON CARGILL!

CORN SILAGE GROWERS

Are You Growing Tons Or Hybrids With High Digestibility And Intake Potential?

Your corn silage hybrids could really be costing you Money! Ask your seed supplier for a Fiber Quality Evaluation Menu of the hybrids you plant for silage. The results could surprise you! The tallest hybrid does not necessarily yield the most tonnage and the hybrid yielding the most tonnage does not necessarily make the most milk!!! Cargill Hybrid Seeds can assist you in your Management decisions.

The Royal Family Of The Alfalfa Industry
