MAGNUM 7110 130 PTO hp (97kW)

Seeing is believing. Which is why we encourage you to feel the difference a MAGNUM 7110 tractor can make. From headlight to hitch, MAGNUM means more. More power from a 309 cu. in. 18" turbo engine. Expect to move through the tough spots with quiet reserve power and higher torque rise. And with exceptional fuel efficiency.

More performance from an 18 speed full powershift transmission. Shifting is smooth, nearly effortless. Shift up, down, even into reverse - without clutching.

More comfort to keep you feeling fresh. Roomy, quiet and light MAGNUM tractor cabs, with large expanses of tinted glass, assure increased visibility in every direction.

More reliability. MAGNUM tractors are covered by the best warranty in the business - 5 years or 5000 hours, whichever occurs first.

MAGNUM means more for your farming future. See us today for a demonstration on your farm.
