

Introducing the M-F 8450 and M-F 8460.

THE NEWEST NUMBERS IN COMBINING. FROM THE OLDEST NAME IN COMBINES.

The people who invented self-propelled combines now bring you two new high-capacity conventional combines that lead the field in performance features and peace-of-mind

- ▶ Look to a name you know and trust for the quality and features you need
- ▶ Hydrostatic drive simplifies operation
- ▶ Wide-view cab gives an unobstructed view of the cutterbar
- ▶ Electronic harvest monitor displays how every stage of the combine is performing
- ▶ Choose 6-row corn head, rigid or flexible bottom grain headers and a windrow pickup header
- ▶ Trained M-F dealer service people and the M-F parts network

Spacious, center-mounted cab is dampened and insulated for less-than-80 dB sound levels
