

ARE YOU IN THIS PICTURE?

This is just part of the over 120 people who joined us on last week's Schuylkill Co. Dairy Tour.

If you aren't in this picture, you missed out on a great opportunity to share ideas on feed management, waste handling and herd health with some top dairy farmers!

The results you may achieve with your Harvestore® System depend primarily upon your management skills and may vary from successful results achieved by others. Any application to a particular farming operation requires the advice of qualified experts and is subject to limitations of good management, weather and other conditions present at the individual location.
