To Our Friends and Customers:

Another year is drawing to a close causing us to reflect on a truly busy and prosperous 1990. We at Tri-County wish to send our best wishes for a successful 1991 to our associates in the Agricultural Community.

We truly appreciate the customers who have chosen to do business with Tri-County in the past and look forward to serving you in the future. It is this confidence that has been placed in us that causes us to work harder than ever to provide the best quality design, sales, installation, and service available.

As we face the New Year with its opportunities and challenges, may we all utilize it to better serve our fellow man, so that trust and loyalty will once again bring us all a truly successful year.

Sincerely,

*Larry J. Weaver*

*D. Zimmerman*

*Galen Weaver*

And all the Staff at  
 Tri-County

At a recent 4-H competition in Washington D.C., Brandi Mikesell of Marion Center, Indiana County, and Jennifer Welch of Berlin, Somerset County, were each recognized as leading 4-H members in the nation.

As one of the top six 4-H members of the swine program, Mikesell, daughter of Robert and Marlene Mikesell, received a \$1,000 scholarship and an expense-paid trip to the National 4-H Congress in Chicago by Pfizer U.S. Animal Health Operations, the National Pork Producers Council, and Cooperating State Pork Producers Council.

As one of the top six members of the veterinary science program, Welch, daughter of David and Connie Welch, received a \$1,500 scholarship and a paid trip to the National 4-H Congress in Chicago by Pitman-Moore, Inc.

## Waffle Finishing Gang Slats

### 7/8" or 1" Slot

2' or 4' Waffle Hog Slats can be custom made to any length that is suitable for your barn.

2' Waffle Hog Slats only weigh 20 LBS per sq. ft. so you can carry into existing barn.

Large percentage of opening keeps slats clean and dry.

Waffle slats are uniform and easy to install

Waffle slats can be undercut so it can replace existing steel slatted areas.

## IT MAKES A HARD LEFT EASY.

Working in narrow and confined spaces just got a lot easier. Because the Kubota L2850 has an eight foot turning radius with brakes on a 4-wheel drive model. Plus a lot of other features that make this tractor exceptionally maneuverable.

First, it has a 4-cylinder diesel engine generating 27 PTO horsepower. Compare that to the smaller engines most other tractors this size come equipped with. So the L2850 runs smoother and gives you more performance.

Eight forward speeds and seven reverse speeds plus an advanced mechanical shuttle transmission make the going especially easy for front loader jobs. Add power steering for even faster cycle times.

Other standard features include direct injection for quick starts and improved fuel economy. Even stops are quicker and surer with wet disc brakes.

The only hard part about deciding on the Kubota L2850 is what to do with your old tractor.
