

# Honor National FFA Week

Salute the  
Future  
Farmers  
of America

FEBRUARY  
10 To 16

Learning the skills necessary to become a farmer is becoming more difficult. It's not just driving a tractor or planting seeds. It's knowing business, market prices, mechanical maintenance, botany, biology and much more. The skills are endless, and we salute the young men and women for taking pride in this profession and wish them a bright and prosperous future.

FFA  
63 YEARS  
STRONG  
and  
GROWING

Lancaster Farming And These Advertisers Say  
Congratulations To Participants in FFA...  
Our Farm Leaders Of Tomorrow!
