WILSON YORKSHIRES
Yorkshire - Duroc - Large White

We are proud to have exhibited the 1st, 2nd and 4th top yielding Yorkshire carcass barrow at the recent Keystone International. Litter mate was 2nd at York County Carcass Contest. Also 2nd top cutting Duroc barrow at K.I.L.E.

The Yorkshires and Swedish pedigreed hogs: These animals offer leanness and lots of muscle. They are backed up by super productivity in Sweden. Crossed with American bloodlines which are heavy-boned, thick made productivity oriented. These boars have excellent nipple quality with a desire to breed.

We feel our Yorkshire and duroc boars have lots of good to offer the swine industry. If you sell grade and you yield, the Swedish hogs can help put money in your pocket. Scan figures by Mike Cherkchuck. Real Time Ultrasound, most accurate scanning available today.

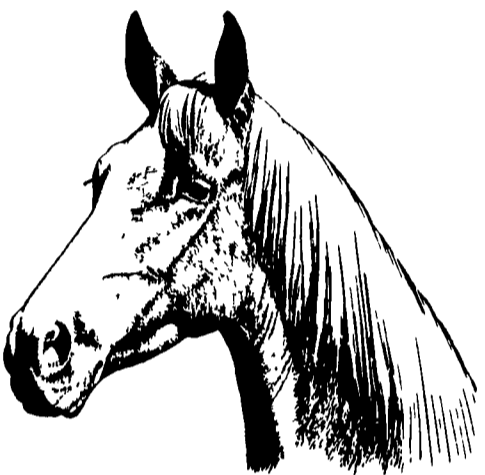

Boars \$350-\$550. Commercial open gilts \$40 over market. Free delivery within a 100 mi. radius.
