**EBY WRANGLER**

**OUR BEST VALUE TRAILER JUST GOT BETTER.**

The new Wrangler. More aerodynamic. Better looking. And the strongest Wrangler yet. With top-quality components and rugged construction, this Wrangler is the best trailer value you can find.

- **LIGHTWEIGHT**-Eby stock trailers are 25-35% lighter than comparable steel trailers. Less weight means better fuel mileage or increased payload.
- **MAINTENANCE**-Eby aluminum trailers won't rust. Welding and painting can cost you dollars in down time and repairs.
- **DURABILITY**-Eby trailers are built tough. Quality components and 6061 alloy aluminum provide the ruggedness required in a livestock trailer.
